OFFICE ORDER

The National Project Implementation Unit (NPIU), in collaboration with Stanford University, is implementing a large-scale survey to assess and improve the skills of engineering students in India. The survey is part of Technical Education Quality Improvement Project (TEQIP-III) to enhance the quality and equity of engineering education across India. For that, Student Learning Assessment (SLA) survey is scheduled from 20/11/17 to 22/11/17.

The Survey is expected to cover the data from the faculty mainly on the following points.

There will be questionnaire which will probably take around 30 minutes for each faculty to fill out and will be given online. Questionnaire may cover:- faculty characteristics, attitudes and behaviour – Personal, educational, and work background – Time allocation – Motivations to teach and conduct research – Autonomy in preparing courses – Views on student preparedness and learning – Research productivity – Professional exposure outside the university.

Following Faculty Members and Guest Faculty (on contract) are/ were associated with imparting instructions of course work of concerned students under the scope of Survey. They are necessarily required to participate in the survey on 22/11/17 (Wednesday).

The exact time and venue shall be communicated in due course of time.
