

Dear Dr. Jain,

Please circulate the information below as it is mandatory for all faculty participants to fill, and get the students to fill the same. **Deadline is 1 June,2018 (Friday).**

-----  
We are glad to host you for the upcoming TEQIP III workshop for Senior Faculty members on Active Learning, at IIT Bombay. As you are aware, one of the mandates of MHRD is to enable you with the necessary skills and infrastructure to support your courses with the online learning management platform **Moodle**. In the workshop, we will create web applications for the courses you are going to teach in the upcoming semester. You will be able to upload course related information, interact with students, conduct online assessments and other collaborative activities with your students.

We need some preliminary information to prepare this customised website for you.

Faculty Member, please fill out the following form <https://goo.gl/forms/fQ6io9IyLVivYSME2> before **Friday 1 June 2018**. This will enable us to make the settings before you start the workshop in the following week. Please take this exercise seriously, as it is necessary for us to report back to MHRD on the number of courses being conducted through moodle as part of the TEQIP III initiative.

In addition, please circulate the **following link to the students** who will be taking your course/s next semester.

Form to be filled in by students: <https://goo.gl/forms/3guIPO0GXPWsLSgh2>

We hope you and your students will make full use of this facility being provided on the behest of MHRD sponsored TEQIP.

Thanks & Warm Regards,  
Dr. Srinivas.
